HOW IT WORKS?

At Link Business Finance we believe in putting your business needs first. Our core business values are to work with you to find the best finance solution. Together we can grow your business!

1. Check your eligibility online or contact one of our account managers. You will then send us basic information about you, your business and your requirements.
2. Once we have accessed your information we will send you a free quote based on your requirements and eligibility.
3. Once approved we will arrange for all the paperwork to be signed and have the funds released to either yourself or your chosen supplier.

WHAT TYPE OF PARTNERSHIP IS RIGHT FOR YOU?

By offering a finance option as an alternative method to your customers you are maintaining a competitive edge. Don't worry, you don't need to know anything about finance or how to spell it, we take care of that. With our flexible and transparent financed packages, carefully selected from a panel of lenders to suit all customer requirements. You can rest assure that your customers requirements are taken care of, enabling you to continue running your business. Once we have the finance in place and the customer is happy, we will contact you for the invoice and pay you in full usually within 24 hours.
